Coffee à la Carte[™] Cup-to-Carafe[®] Coffee & Tea Maker

Capresso

COFFEE

À LA CARTE

Cup-to-Carafe® Coffee & Tea Maker

- Quick-heat pump brewing system can brew first single cup in less than 60 seconds.
- Brews 42 oz. carafe in less than 6 minutes.
- Innovative brewing system adjusts automatically to the amount of coffee in the filter to deliver mild to double strength coffee.
- Completely customizable brewing and size options.
- Optimal brewing with wide, maximum saturation and extraction brew head.
- Removable 52 oz. water tank.
- Slim design, less than 7 inches wide

Remove brewing unit from machine.

Press tabs to unlock filter from brewing unit and pull apart.

Separate dishwasher safe coffee & tea filters for no flavor exchange.

Adjust coffee's strength by adding as much or as little ground coffee to the filter up to 60 grams per cup.

The filter automatically adjusts for perfect brewing when inserted back into the brewing unit.

Choose from four preset brewing buttons or reprogram the volume to your liking.
